

BACK TO PRESENT:

INT. CLASSROOM. DAY.

TEACHER

Ok. Separate your desks and put everything away for dictation.

**START**

Two kids at Elliot's desk start to separate their desks and before Elliot can grab it or stop them, the ballet shoe figurine goes crashing to the floor. Elliot cries out and goes to the floor, trying without success to put it back together.

ELLIOT

You broke it! You broke it!

TEACHER

Elliot. It was an accident.

ELLIOT

No it wasn't. It's ruined.

**END**

FLASHBACK TO:

INT. KAYLA'S HOME.

Open on the girls in bubble bath together. Gracie is using suds to put a beard on Elliot's face. She then hands a mirror to Elliot who looks and laughs.

GRACIE

Magnificol

As the girls continue to play, they hear arguing outside the bathroom door.

KAYLA

I love you but I'm not gay! You knew this when you pursued me, relentlessly I might add.

ALEX

Well, you sure as hell deserve an Oscar then for your performance! I mean what the fuck. Did you trip and fall naked into bed with me a million times?

KAYLA

I'm done. I can't do this anymore.
